

DEAR WOODLAND OWNER.

Join us for the 28th annual Southeast Wisconsin Woodland Owners Conference at the **Waukesha County Technical College** in Pewaukee.

- Our topics include:
- American Forest Foundation
- Forest Health
- EAB Forest Management Guidelines
- Managed Forest Law Update
- DNR Pilot
- Black Bear Population & Status

Plus enjoy an array of exhibitors showcasing an exciting variety of forest-related products and services. Come learn the latest about woodland management from experienced resource professionals and other woodland owners. Contact Julie Peltier at 262-670-3404 for more information.

Survey

Please help us to assess our workshop audience by filling out the following survey:

How many total acres of woodland property do you own? _____

In which counties? _____

How long have you owned woodland property? _____

Do you currently have a written management Plan?

Yes No

Are you currently a member of Wisconsin Woodland Owners Association?

Yes No

To what extent do you consider yourself active in managing your woodland? (select one)

- I enjoy my woodland as is, and do nothing to change its current state.
- I harvest a few trees from my woodland for personal use, such as firewood, building material, or other.
- I have had a timer sale (or sales) in the past and that is the extent of my management.
- I actively manage my woodland for wildlife habitat and/or timber production.

How did you hear about this workshop?
