HELLO FROM YOUR LOCAL WDNR FORESTER

Hi, I am the WDNR forester working in Sauk County. I hope to see you at the upcoming Learn About Your Land classes online. These classes cover many but not all topics relevant to woodland owners. Do you want more information or personalized advice? That's where I can help, free of charge. WDNR foresters want to build relationships with woodland owners like yourself and are happy to answer your questions or visit your property to offer advice tailored to your land. Some ways I can help include:

Paul Kloppenburg

- Suggesting ways to attract more wildlife
- Preparing written forest management suggestions
- Assisting with tree planting projects
- Providing advice about cost-share programs and timber sales

These services are free, and I hope you take advantage of them. Please reach out to talk about your goals or do a walk-through on your property.

*Sincerely,
Paul Kloppenburg, Sauk County Forester*
